QUALITY PHILLY STEAKS

We are bringing Quality back to Philly Steaks

PHILLY UP

Chunked & Formed Choice Lifter 100 % USDA lifter meat is chunked, lightly marinated, molded and thinly sliced.

COOKING INSTRUCTIONS:
The "ideal" way to cook our steaks, to maximize flavor, and bring out the juices for your eating pleasure:

1. Place steak on the grill at medium heat.

2. Cook for approximately 1 minute and turn.

3. Chip the steak by holding with one spatula and pushing off or "chipping" with a second spatula.

4. Cook for another minute. Be sure to cook thoroughly.

5. Place your favorite cheese on top to melt and add onions or peppers or mushrooms and cover with a sliced "hinged", crusty roll.

6. When cooked, lift with spatula, and turn over the roll.

To ensure food safety, heat all steak products to an internal temperature of 165° F prior to serving.
