QUALITY PHILLY STEAKS

We are bringing Quality back to Philly Steaks

TEN PERCENT MARINATED (TPM)

Chunked & Formed Choice Lifter 100 % USDA lifter meat is chunked, 10% marinated, molded and thinly sliced.

COOKING INSTRUCTIONS:
The "ideal" way to cook our steaks, to maximize flavor, and bring out the juices for your eating pleasure:

1. Place steak on the grill at medium heat.

2. Cook for approximately 1 minute and turn.

3. Chip the steak by holding with one spatula and pushing off or "chipping" with a second spatula.

4. Cook for another minute. Be sure to cook thoroughly.

5. Place your favorite cheese on top to melt and add onions or peppers or mushrooms and cover with a sliced "hinged", crusty roll.

6. When cooked, lift with spatula, and turn over the roll.

Safe Handling Instructions

This product was prepared from inspected and passed meat and/or poultry. Some food products may contain bacteria that could cause illness if the product is mishandled or cooked improperly. For your protection, follow these safe handling instructions.

Keep refrigerated or frozen. Thaw in refrigerator or microwave.

Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after touching raw meat or poultry.

Cook thoroughly.

Keep hot foods hot. Refrigerate leftovers immediately or discard.

To ensure food safety, heat all steak products to an internal temperature of 165° F prior to serving.
